## Our Vision

In partnership with the community, we will empower our tamariki (children), spiritually and culturally, so they will provide a valuable contribution to society, be of service to others and grow and expand our community.

## Our Mission Statement

We [the Church] are mentors, role models, partners, advisors and advocates for our children and the community.

We provide guidance and education opportunities for adults and children in areas such as religion, culture, language skills and parental education.
