### Heavenly Father we thank you:

- For the renovations that are taking place to our church; for the skills, talents and resources of those who are helping to maintain it.

- For the projects that allow us to take an active step into the future welfare of our tamariki and the generations to come.
- For Emergency Service Officers, Firefighters, pilots, volunteers, particularly for their courage and strength to safeguard the welfare of communities from experiencing further fire damage and also for providing families with the necessary assistance to help them restore their homes and communities.
