## From the Pews

An excerpt from the **Shadow of Loneliness**  
Presented by: **Moana Sukkar**

This is Our walk with God... Therefore, we must acknowledge that born from loneliness comes the necessity to question ourselves and God... born from loneliness comes the necessity to re-evaluate our strengths and weaknesses, our purpose in this world... and finally... born from loneliness comes the necessity to confront our faith, as like Christ, loneliness means we are left with only the space between God and ourselves because He is the only one we can turn to, He is the one who listens in that quiet time and Yes, like Christ, God offers us that cup of bitterness, that challenge of faith...but with that metaphoric cup comes a rock...
