Our Vision

In partnership with the community, we will empower our tamariki (children), spiritually and culturally, so they will provide a valuable contribution to society, be of service to others and grow and expand our community.

Our Mission Statement

We [the Church] are mentors, role models, partners, advisors and advocates for our children and the community.

We provide guidance and education opportunities for adults and children in areas such as religion, culture, language skills and parental education.

Season of Advent

Advent is a season observed as a time of expectant waiting and preparation for the celebration of Christmas, the birth of Jesus Christ. The term is a version of the Latin word adventus, meaning arriving.

The Advent wreath or crown and candles are symbolic of the weeks leading up to Christmas.

One candle is lit as the weeks draw closer to Christmas.

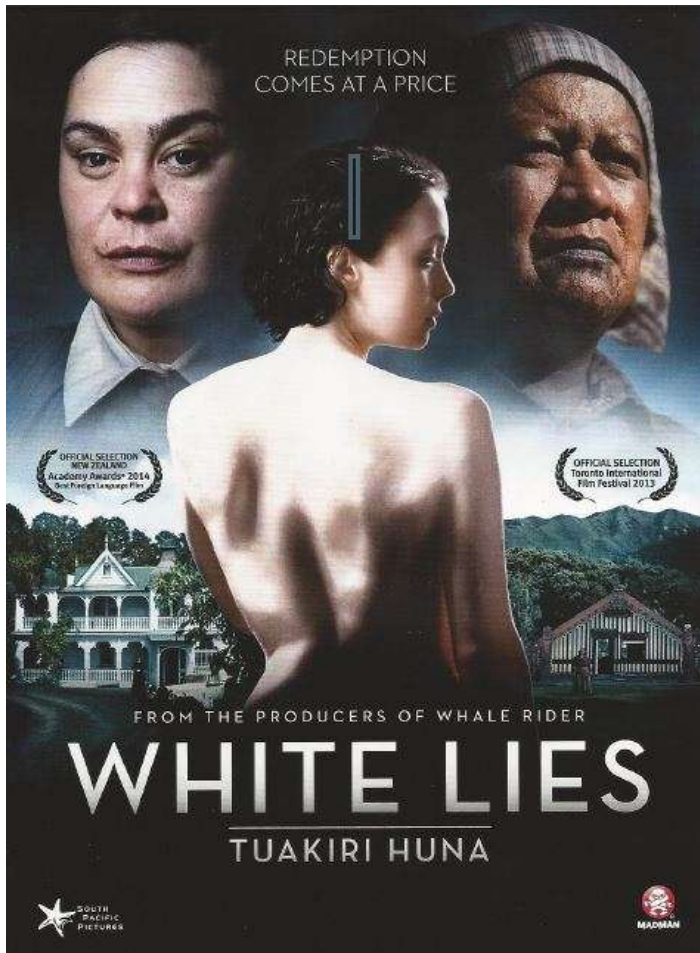

Financial Contributions

As a self-supporting mission, funded by the donations from our congregation, community and services provided by our Priest, we are contacting and encouraging those that are or have been involved with the Church, through Baptisms, Confirmations, Funerals, House Blessings, Our Church Building, Services, Weddings, and Workplace Blessings to donate to the life of the Church.
