Our Vision

In partnership with the community, we will empower our tamariki (children), spiritually and culturally, so they will provide a valuable contribution to society, be of service to others and grow and expand our community.

Our Mission Statement

We [the Church] are mentors, role models, partners, advisors and advocates for our children and the community.

We provide guidance and education opportunities for adults and children in areas such as religion, culture, language skills and parental education.

THANK YOU, WE ARE PROUD TO BE A SELF-FUNDED CHURCH

For us this means we are self-supporting, funded by the donations from our congregation, community and services provided by our Priest.

Generously and Graciously

Over the last year our engagement with our community has changed, we are moving away from fundraising and are contacting and encouraging those that have been involved with the Church, through Baptisms, Confirmations, Funerals, House Blessings, Our Church Building, Services, Weddings, and Workplace Blessings to donate to the life of the Church.
